

## **BAC Board of Directors' Membership List Disclaimer<sup>i</sup>**

As stated in its Articles of Incorporation, the purpose of the Business Advisory Council (“BAC”) “is to advise the Streamlined Sales Tax Governing Board, Inc. (“SSTGB”) on matters pertaining to the administration of the Streamlined Sales and Use Tax Agreement; provide a forum for practitioners, associations, and businesses of all sizes and industry types engaged in, or who support simplification of, sales tax collection and remittance; to express their ideas and concerns related to matters being considered by the SSTGB; and provide a formal process to bring those ideas and concerns to the SSTGB and policy makers for the betterment of citizenry and business community of the participating states.” The following individuals are members of the BAC’s Board of Directors. Membership in the BAC (including its Board) shall not be construed as indicating the individual or the individual’s employer or business listed below takes any position with respect to any matter that is (or is not) pending before the SSTGB, including federal legislation.
